ASSESSMENT PROCEDURES

At all ages the boys sit online tests in Maths and in English (covering spelling, punctuation and grammar, together with reading comprehension); and do a short, handwritten Creative Writing exercise.

For Creative Writing the boys are placed in groups of about 8 to 12 with a member of staff. Discussion of tasks is encouraged to stimulate the boys and help the member of staff create a profile of pupils' strengths.

The assessments take place after the half term break in February:

- 7+ Monday 26 and Tuesday 27 February 2018
- 8+ Wednesday 28 February 2018
- 9+ Thursday 1 March 2018

There may be the opportunity to take individual assessments at other times of the year on request.

Standard of Attainment

The standard of attainment for Maths and English for each age group is based on the National Curriculum end of year expectations for the year in which the candidate is at the time of assessment, as follows:

- 7+ standard based on Year 2 expectations
- 8+ standard based on Year 3 expectations
- 9+ standard based on Year 4 expectations

We recommend the use of the Bond series of Maths and English work books (appropriate to age) if you wish to look at practice questions;
