Scholarships and Bursaries at Warwick School

At Warwick School we are committed to engaging with young people and providing opportunities to transform lives and raise aspirations. We have a range of scholarships and bursaries on offer to ensure the benefits of a Warwick School education continue to be available to as many pupils in our community as possible.

Overview of awards

We have a range of financial awards available at various points of entry to the school. Eligible pupils are able to receive both a scholarship and a bursary. Further information on entry criteria can be found on our website.

What is a scholarship?

A scholarship is a prestigious award which recognises a very high standard of achievement. It is not linked to parental income but can involve financial support. Scholarships are based on merit.

The Governor Scholarships are automatically awarded to boys who perform exceptionally well and score the highest grades in the entrance examination and interview. All boys who sit the entrance exam are automatically considered so there is no need to apply separately.

Music Scholarships are awarded to boys with exceptional musical ability and as a general guide we would expect boys to be at approximately Grade 5 on their first instrument when applying for the scholarship.

Boys wishing to apply for a **Choral Scholarship** should be entering or in attendance at Warwick School and be selected for the Choir of St. Mary's Collegiate Church, Warwick.

Application forms for the Music and Choral Scholarships are available on our website.

What is a bursary?

Warwick School is committed to helping families within our community who may not have the means to pay full fees for their son. A bursary offers the possibility of free or discounted places for boys joining Warwick School at 11+ and 16+.

Our bursaries are 'means-tested' with family income and assets taken into account. As a guide, if your household income is below £40,000 after tax, you may be eligible for a free or discounted place. If your son is awarded a bursary then help may also be available for educational visits, uniform, transport and lunches.

Bursaries are awarded based on completion of the bursary application form, a pupil's results in the entrance exam and an interview.
