

WARWICK SCHOOL

Uniform & Kit Sixth Form

The uniform and sports kit below should be used in conjunction with the Stevenson's web shop.

Sports kit - Some items do appear in more than one list. For example, the G500 white shorts are the same shorts used for PE lessons and by boys who choose to play tennis in the Summer.

The expectation is that boys attend all PE and Games lessons and fixtures in Warwick School kit. There are some minor changes from the existing range and some new items available for purchase. Legacy kit that features the old coloured crest can be worn until September 2021.
